TESTIMONIALS

"I sponsored a CAPS event and had an immediate registration to my event that lead to follow-up business a few months later. I got back my investment ten times! It was fun and a good ROI."

Petra Mayer, Petra Mayer Consulting

"Sponsoring a CAPS event is absolutely worth it! In April 2018, I sponsored an event and met some amazing professional speakers. It's now a few months later, and I am getting business from it. I was recommended to supply all the printing for the National Convention in Vancouver in December and was awarded the contract. I definitely recommend sponsoring a CAPS event."
